The positive effects are not limited to just the two of you; your family will benefit from your growing love as well.

"We fell in love all over again during our Weekend."

A Weekend of Discovery...

Weekend topics include:

- Exploring our personality styles
- Communicating our feelings
- Dealing with the busy world around us
- Learning how to improve our listening skills
- Understanding God's plan for our marriage
- Keeping our relationship a priority
- And more...

During the Weekend you will be given time to share your thoughts and feelings with each other in the privacy of your room. Couples are urged to focus on each other and keep the rest of the world at a distance during this special experience.
